OUR MEMBERS SAY

"I love seeing how the Chamber is getting out and listening to the very small and mostly home-based businesses on Bainbridge - as well as supporting tourism and the brick-and-mortar storefronts. They get to know the real challenges and talents offered by the 'solopreneurs.'"

"I am pleased with the way in which information is provided to both residents and visitors by the chamber and its office on Winslow Way as well as the Kiosk at the ferry dock. The staff and volunteers are very professional in their message. I find that the chamber is a meaninfgul support system for businesses both new and established on the island."

"In a small community like this, it's all about networking, and the Chamber goes out of its way to create and support these opportunities and the community as a whole."

- **Largest chamber in Kitsap County**
- **12th largest chamber out of 225 in Washington State**
